

**2023 ALLIGATOR FESTIVAL
ARTIST'S POSTER REGISTRATION FORM**

INFORMATION AND REQUIREMENTS

NAME - _____

ADDRESS - _____

PHONE # - _____

"FINAL DATE FOR SUBMISSION IS MAY 30, 2023"

On the poster, a large alligator is preferred, as to the size of your artwork, a 30" x 40" poster size is preferred.

Lettering, if included on poster, should include the following:

- 1) Alligator Festival**
- 2) Luling, LA**
- 3) Rotary Emblem**

If you prefer, (and we recommend) the graphic artist can insert the lettering and rotary emblem. Also, if desired, objects which represent St. Charles Parish may be included in the background, such as the bridge, the river, the levee, or a plantation scene, oak trees, etc.....

In regards to signing your finished artwork, just like the lettering, you may sign your original. However, it would probably work best to provide the graphic artist with a copy of your signature. By doing so, it can be placed properly and either enlarged or reduced to fit the final poster size. 250 copies of the selected poster will be signed by the artist and sold at the festival, with all profits going to local scholarships.

Thank you for your submission, but mostly for your interest in participating in the 41st Annual St. Charles Parish Alligator Festival! The artist selected will proudly receive an award from the St. Charles Rotary Club of \$250. Good luck, and let's get started!
